

My Sky

□□□□□□□□□□ □

*I am just a mere chick,*

*I wonder why they are flying*

□□□□□□□□□□

*As I grow,*

*I explore the world full of wonders*

□□□□□□□□□□□□

*And now I am grown up,*

*I found the most□ enchanting place*

□

*But your way too high for me to reach*

□□□□□□□□□□

*To reach you,*

*I learn to fly*

□□□□□□□□□□□□□□□□

*As I fly,*

*I am reaching you*

*And now I am near you,*

*I wonder... is there really heaven in you?*
