

I feel love in my heart

I feel love in my mind

I feel it in my soul

I feel it all the time

It's all around me wherever and whenever I breathe

I can touch it, feel it, and wear it on my sleeve

It's in the air touching the heavens skies

Grip it grasp it, I can see it with my eyes

Chase it, faster I call it as I see

It is all over surrounding me

I don't know if can take it I am about to explode

but alas I must put these feelings on hold

because there is no where to place it not even a soul
