

THE UNITED FAMILY POEM by Warren Brown

When a child is born

Into a loving family,

It is all part of the plan

And part of his destiny.

My parents were my rocks

Who inspired me to be,

The best I can be

To fulfil my destiny.

My Mother, I will miss

As she was always there,

With her quiet strength

And her strong belief in prayer.

My Dad is still here

To be my mentor and my guide,

To help me to overcome

All difficulty in my stride.

My Mum Joan will always be

My great inspiration and guide,

My true friend and mentor

As she walks by our side.

Darling Mum we all miss you

But we know that you are,

By the side of your family

At every fleeting hour.

We come together as one

My sister and her family,

My father, wife and I,

Come together in family unity.

A mother is a true rock

For every family in strife,

Who helps them to strongly unite,

As she guides them through life.
